MESSAGE FROM THE MINISTER FOR HEALTH KHYBER PAKHTUNKHWA

The Government of Khyber Pakhtunkhwa acknowledges the important role of nursing staff in healthcare service delivery system. Provision of quality health services is not possible without the availability of skilled staff at primary, secondary and tertiary level health care facilities.

The Government of Khyber Pakhtunkhwa is committed to ensure the availability of trained and skilled nursing staff in the province at all levels. For this purpose, the Provincial Health Department will provide every possible support to all nursing institutes in public sector to impart and ensure quality education and training in various teaching hospitals of the province.

It is hoped that the public sector nursing institutes shall produce professionals of high quality with appropriate behavioral skills and understanding to deal with the health problems and needs of people at a human level, which is not possible without abiding by the norms of professional ethics and discipline.

Mr. Khaleeq Ur Rehman
Minister for Health Khyber Pakhtunkhwa

.

MESSAGE FROM THE SECRETARY HEALTH KHYBER PAKHTUNKHWA

The Government of Khyber Pakhtunkhwa is fully cognizant of the fact that well-trained and skilled nurses are important part of the healthcare workforce. We aim to achieve this by providing high quality education and use of advanced training techniques through qualified faculty in a conducive training and learning environment to the students of all the public sector nursing institutes of the province.

The Provincial Health Services Academy (PHSA) network is playing crucial and appreciable role in enhancing capacity of healthcare delivery system by producing allied health professionals for the healthcare delivery system in the province and elsewhere. The network is also focusing on improving the quality of education and training for the nursing professionals.

Our aim is to produce well trained and skilled personnel to fulfill the needs of the healthcare delivery system with the best outcome indicators.

Mr. Fayyaz Ali Shah
Secretary Health
Govt. of Khyber Pakhtunkhwa

MESSAGE FROM THE DIRECTOR GENERAL PROVINCIAL HEALTH SERVICES
ACADEMY.

The Provincial Health Services Academy (PHSA) is playing integral part in enhancing and strengthening health workforce.

The Academy runs courses in various nursing colleges located all over the province.

I extend my heartfelt gratitude to the Government for having an insight in the importance of nursing education and taking practical steps for the promotion of the same by establishing new nursing colleges.

The PHSA and Nursing Colleges are working to revisit and upgrade the curriculum making it responsive to the needs of 21st century. Thereby not only responding to modern challenges at home but creating employment opportunities for this very skilled human resource in the global market. The results of this paradigm shift in training would soon be visible in improved healthcare quality and enhanced satisfaction of the patients and clients.

**Dr. Muhammad Saleem,
Director General (Health)
PHSA, Khyber Pakhtunkhwa**

MESSAGE FROM THE COORDINATOR OF GOVERNMENT NURSING COLLEGES

It gives me great pleasure to welcome you to the BS Nursing program at the Provincial Health Services Academy (PHSA). The BSN program has been designed to prepare professional nurses who possess the knowledge, skills, and competencies required to meet the complex challenges of today's health care system.

Nursing is not only a profession but also a calling to serve humanity with dedication, compassion, and commitment. Through this program, our aim is to produce graduates who are capable of providing safe, effective, and evidence-based nursing care, while also contributing to the advancement of nursing education, research, and leadership in Pakistan.

The BSN curriculum is carefully structured to meet both national and international standards, ensuring that our graduates are well-prepared to take on diverse roles in clinical practice, community health, management, and education. At PHSA we are dedicated to creating a supportive and enriching learning environment that fosters critical thinking, ethical practice, and professional growth.

As you begin this important academic journey, I encourage you to remain focused, disciplined, and passionate about your chosen profession. The opportunities before you are vast, and with determination and hard work, you can contribute significantly to the health and well-being of individuals and communities.

I extend my best wishes to all our BS Nursing students for a rewarding and successful educational journey. May you achieve excellence and become proud ambassadors of this noble profession.

PROVINCIAL HEALTH SERVICES ACADEMY NETWORK

SECTION-1 INTRODUCTION

Capacity building of the provincial health department in service delivery and governance of the health sector were the mainstay of the health sector reforms agenda in the 90's. To sustain the capacity building initiative, Provincial Health Development Centre (PHDC) was raised to the status of first ever Provincial Health Services Academy (PHSA) in Pakistan.

The public sector health professional teaching and training institutions meant for paramedics, nurses and LHVs along with District Health Development Centers were attached to PHSA as its allied institutions. Later on in 1999, PHSA was given the status of an attached department of Health Department Khyber Pakhtunkhwa and assigned the role of stewardship of this network.

Provincial Health Services Academy has been assigned a robust mandate to conduct, among others, in-service training of the personnel of the Health Department and serve as teaching and training hub through its network for nurses, LHVs and paramedics. A network of more than 24 institutions including 05 District Health Development Centers (DHDCs), 09 Government Colleges of Nursing (GCONs) and one Post Graduate College of Nursing (PGCN), 04 Paramedical Institutes of Medical Technologies (PIMTs) including one Post Graduate Paramedical Institute (PGPI) and 04 Public Health Schools (PHSs) of the province.

PHILOSOPHY

We believe that every person is an individual of inherent worth and dignity. Human beings possess physical, psychological, spiritual, and social needs, and they have the right to maintain the highest possible level of health and quality of life.

The graduates and postgraduates of our institutes are prepared to play an expert role in building a healthier society. Recognizing that individuals come from diverse cultural backgrounds, our graduates are trained to deliver **culturally sensitive, patient-centered, and evidence-based care**.

VISION

To develop a **center of excellence** duly recognized (Nationally/Internationally) in Human Resource Development.

MISSION

Designing solutions and introducing models addressing the existing and emerging health care challenges, especially focusing Human Resource Development, Applied Research and Knowledge Management for innovation in health care for economic growth and developing human capital.

SECTION-3: PROCEDURE FOR SELECTION

3.1 Introduction

The admissions into BS Nursing four years' degree program at Government Colleges of nursing in the PHSA network will be offered on open merit basis, subject to the rules already provided. Details of the admission process are as follows:

3.2 Merit compilation and weightage formula

Merit shall be compiled on following weightage formula:

- The total marks for merit will be tailored to 100%.
- Out of the total of 100 marks, a maximum weightage of up to 50% will be given to marks obtained by the candidate in F.Sc (pre-medical) or equivalent in Cambridge system and up to 10% will be given to marks obtained by the candidate in SSC exam result subject to the eligibility criteria.
- Out of the total of 100 marks, a maximum weightage of up to 40% will be given to marks obtained by the candidate in the KMU (CAT) Test result.

3.3 Compilation of Provisional Merit Lists

The Provisional Merit Lists based on weightage formula will be prepared as per para 3.2 and displayed on PHSA official website.

3.4 Interviews for Provisional Selection of Candidates

Keeping in view the number of applicants, an appropriate number of candidates on the Provisional Merit Lists, belonging to both the gender will be called to appear before the Interview Committee at the planned venue and date.

The interview will neither carry any marks nor any weightage in determining the merit position of candidates. Its purpose will be the collection of documents, verification of the applicant, assessment of the general disposition as well as her/his apparent status of mental and physical health and the scrutiny of her/his credentials/original documents.

Candidates claiming to be Hafiz-e-Quran will be called before the scheduled interviews for Hifz-e-Quran Test and their merit position will be determined accordingly. Any such candidate(s) failing to appear for Hifz-e-Quran Test or failing the test will not be given any additional marks. Candidates passing the Hafiz-e-Quran test will be awarded 20 marks. These marks will be added in F.Sc obtained marks and percentage will be calculated accordingly.

In case of any doubt about the person, her/his fitness for nursing education or her/his credentials etc. the interview committee may recommend an appropriate action to the Central Selection Committee for its final decision to be executed through Director General, Provincial Health Services Academy.

In this regard, all the candidates must note and follow the following instructions:

- a) No separate call letters will be issued to the candidate for appearing before the interview committee, but they will be informed through uploading the list of shortlisted candidates for interview on the official website of PHSA, i.e. www.phsa.edu.pk.
- b) Any candidate, who does not appear before the interview committee on due date and venue in working hours, because of any reason, whatsoever, will not be considered for admission despite falling on merit in the provisional merit list and the interview will not be rearranged for such candidates. Presenting original documents to the interview committee is mandatory and a set of duly attested photocopies of his/her credentials shall also be submitted in light of para 3.7.1.
- c) In view of the foregoing, it is communicated that it will be the responsibility of all the candidates to:
 - provide correct and fully operational mobile numbers in the application form.
 - frequently keep on checking the official websites mentioned above to know the date, venue and time of their interview well in time.
- d) PHSA or Health Department Khyber Pakhtunkhwa will not be held responsible for any failure on the part of candidates in checking the official websites, for reason/s whatsoever, to remain and keep themselves updated in relation to various time bound communication messages regarding KMU(CAT) test (Valid for the current academic session), interview, admission etc.

3.5 Provisional Merit List:

After completion of the interviews, the provisional merit lists of eligible candidates will be prepared for admission.

3.6 Selection of Candidates for Admission:

After approval of the provisional merit list by the Director General PHSA, the list of selected candidates along with waiting list will be uploaded on the official website of PHSA www.phsa.edu.pk.

No separate call letters/offer letters for admission will be issued to selected candidates in any category.

The offer of admission so awarded to selected candidates will expire within seven days after the date of uploading of the final lists on the official website (www.phsa.edu.pk). This offer of admission will be only one-time and will not be repeated and/or revalidated for the same candidate under any circumstances, if not availed by the selected candidate, within the stipulated time.

The selected candidates, not reporting for admission, will lose their right of admission. The admission will then be offered to the next candidates in the waiting list.

In case, any seats remain unoccupied by the selected candidates in the first selection list, a second selection list will be prepared from the candidates on the waiting list.

If required, next selection lists will be uploaded on the same official website till after 06 weeks of commencement of regular classes in the nursing colleges.

3.7 Application and admission guidelines
